

Hello, my name is Dr. Tyrone Smartt. I am a licensed and registered Occupational Therapist currently practicing in the New York City public school system in the United States. I was baptized on April 8th, 1990, in Guyana after being introduced to the Christadelphians by a classmate. My family and I migrated to the United States in 1993. Over the years I have been a Youth Leader, Sunday School Superintendent, and Arranging board member until 2021. I am now the Recording Brother at the South Ozone Park Ecclesia in NY. My wife Sis Carrol who is also an Occupational Therapist, and I have been engaged in therapy practice. She has been my friend, mentor, collaborator, inspiration, and fellow traveler on the many adventures we have experienced globally. Together we have five children three boys, and two girls. As part of our Spiritual Ministry and mission, we have been using our professional skills to assist in aiding underserved communities in the USA, South Africa, Jamaica, Trinidad & Tobago, Guyana, and have been active in the Caribbean Bible camps. It has been a great challenge, honor and an enormous pleasure serving in the many different capacities in the vineyard of the Lord over the last 32 years. May all blessing and praise be to YWH our Heavenly Father and our Lord Jesus Christ as the best is yet to come.

Amen

Thanks, Bro Tyrone Smartt
